AGENDA

This agenda is for a public meeting and hearing required to be conducted by the San Francisco Bay Area Water Emergency Transportation Authority (WETA) prior to adoption of its Transition Plan and Emergency Water Transportation System Management Plan pursuant to subdivision (e) of Section 66540.32 of the California Government Code. That subdivision requires WETA to establish a public input process for taking public comment on the plans and requires WETA to hold at least one public hearing at least 60 days prior to the adoption of the plans in each city where an operational ferry facility existed as of January 1, 2008.

These public hearings are being noticed and agendized as special meetings of the Board of WETA in anticipation of the fact that a quorum of the Board of Directors of WETA will be in attendance. If less than a quorum is present at a public hearing, the public hearing will be conducted as a workshop.

This information will be made available in alternative formats upon request. To request an agenda in an alternative format, please contact the Board Secretary at least five (5) working days prior to the meeting to ensure availability.

PUBLIC COMMENT The Water Emergency Transportation Authority welcomes comments from the public. Speakers' cards and a sign-up sheet are available. Please forward completed speaker cards to the Board Secretary.

Non-Agenda Items: A 15 minute period of public comment for non-agenda items will be held at the end of the meeting. Please indicate on your speaker card that you wish to speak on a non-agenda item. No action can be taken on any matter raised during the public comment period. Speakers will be allotted no more than three (3) minutes to speak and will be heard in the order of sign-up.
